General Allegation: USA

RELEASED IN FULL

The Working Group received information from non-governmental organizations concerning reported obstacles encountered in the implementation of the Declaration on the Protection of All Persons from Enforced Disappearance.

It was reported that one case of extraordinary rendition, which occurred in Italy on 17 February 2003, involved an enforced disappearance for a certain period of time. The Working Group was informed that this case took place in the context of extraordinary rendition programmes that were allegedly carried out by the United States of America together with Egypt, where the person was secretly imprisoned and reportedly tortured.
